

Lodz University of Technology

Interdisciplinary Doctoral School

Łódź, 6 April, 2022

dr hab. inż. Agnieszka Ruppert, prof. LUT
Director of Interdisciplinary Doctoral School
at Lodz University of Technology

Dear Doctoral Candidates,

Pursuant to Section 10 and Section 12 of the Resolution No. 5/2021 of the Senate of Lodz University of Technology of 31 March 2021 on the adoption of the Regulations of the Interdisciplinary Doctoral School of Lodz University of Technology, I would like to inform you that the implementation of your individual research plan is subject to the progression review performed halfway through the doctoral training programme at IDS TUL.

The progression review will be performed by the Progression Review Panel, competent for the discipline, on the basis of the following documents: your supervisor's statement with the recommendation to allow you to undergo the progression review, mid-term report and the presentation of the results of your research to date according to your Individual Research Plan (the last two of the documents specified are prepared by the doctoral candidate).

The report and presentation templates have been designed by IDS TUL Office with a view to helping you to prepare for the progression review properly. Your task will be to demonstrate that your research has been so far conducted in compliance with your individual research plan, or to explain why (if so) any discrepancies have occurred.

All the abovementioned documents need to be submitted to IDS TUL Office by 16 May, 2022 (the non-extendible deadline).

Should you have any questions or doubts, please contact IDS TUL Office by e-mail isd@adm.p.lodz.pl or phone (42 631 28 55).

With regards

DYREKTOR
Interdyscyplinarnej Szkoły Doktorskiej
Politechniki Łódzkiej
Agnieszka Ruppert
dr hab. inż. Agnieszka Ruppert, prof. uczelni
