Statement for applicant who do not have Polish citizenship

### About Lodz University of Lodz (TUL)

Lodz University of Technology is one of the best technical universities in Poland. Over 120,000 well educated graduates are the fruit of the work of several generations of highly skilled staff devoted to teaching and research, as well as to technical and administrative support. Internationalization is one of the main pillars of the TUL strategic agenda for research, education and activities carried out in cooperation with the socio-economic environment. This synergy of assets is contributing to the strong scientific leadership of Lodz University of Technology both - in Poland and abroad.

### Advantages of being IDS Doctorant

The key aspects of the IDS TUL rely on its flexibility, interdisciplinarity and internationalization of education. IDS is providing scholarships to PhD students worldwide on a competitive basis. The PhD program lasts for 4 years. More information about the education program and the scholarships can be found on the IDS website.

## Important information in admissions process

Now you are ready to submit your application documents to the IDS TUL. Be attentive and don't miss the deadline.

 The deadline for submission of documents is September 3rd, 2021 at 3:00 p.m. **03.09.2021 to 3:00 p.m.**

1) If you are in Poland, you can submit the documents directly to IDS office: [ul. Żeromskiego 116, building A33, II flor, room 210 \(90-924 Łódź\)](#)

 The IDS TUL office is open for the receipt of documents at 8:00 a.m to 3:00 p.m

2)  If you are abroad, it is acceptable to send a complete set of documents, as colorful scans of originals of all documents – packed in pdf format, by e-mail on: [isd@adm.p.lodz.pl](mailto:isd@adm.p.lodz.pl) with „Application to IDS” as the title of an e-mail.

## Important information in admissions process

FREE  
EDUCATION

TRAINING  
IN ENGLISH

After submitting document the IDS office check the documents in terms of formalities. If there are any gaps, we will contact with you to fill them up. If the documentation is complete, you should wait for information about the appointment of an interview.

The interviews will be scheduled 13-24.09.2021.

You will be inform individually of the exact date and time of the meeting.

If you have attached an application for a remote interview to the required documents – we will organize a meeting online. Be well prepared for discussion, in English, about the research proposal you submitted.

## The applicant evaluation

During application process the applicant evaluation includes three stages:

**Formal criteria** – defined in the admissions. The applicant who have met the formal requirements pass to the second stage.

In the **second stage**, the applicant is scored on a point scale – according to classification rules ([Resolution No. 6/2021](#)) – based on number of points resulting from the conversion of the grade entered on the graduation.

The last stage is an interview consists of the scores in the following categories:

- I. Motivation and interests and proposed scope of study,
- II. Assessment of linguistic competence,
- III. Evaluation of the applicant's past academic and/or artistic accomplishments and achievements related to the discipline.

After third stage, a **ranking list** is created, taking into account all candidates who participated in the admissions.
